3	Discuss boundary proposals	<p>The Birkenhead &amp; Tranmere Ward has already been agreed as the starting point for the Neighbourhood Forum area. The following incursions into neighbouring wards were discussed:</p> <ol style="list-style-type: none"> <li>1. <b>Cloughton Ward:</b> <i>Agreed unanimously in part.</i> To extend the boundary to include Bentinck Place, Cloughton Place, Cole Street, Cloughton Road (part), Grange Road West (part), Eastbourne Road (part) and Grange Mount (part). <b>Reason:</b> to ensure all shops are included in any potential retail policies; residential area similar in social character to Menai Street.</li> <li>2. <b>Oxton Ward:</b> <i>Agreed by majority vote (4:2) in part.</i> To extend the boundary to include Williamson Art Gallery &amp; Museum. <b>Reason:</b> To support a potential “cultural triangle” policy between The Williamson Art Gallery &amp; Museum, Birkenhead Central Library and The Little Theatre.</li> <li>3. <b>Rock Ferry Ward:</b> <i>Agreed unanimously in part.</i> To extend the boundary to include Victoria Park but not surrounding houses. <b>Reason:</b> To ensure any potential open</li> </ol>	Item discharged

		<p>spaces policy applies to both parks. Including any more residential properties would make the neighbourhood plan area too big.</p> <p>4. <b>Rock Ferry Ward:</b> A new proposal by <b>VM</b> to exclude the entire area south of Downham Road was discussed but not supported.</p> <p>5. <b>Rock Ferry Ward:</b> <i>Agreed unanimously.</i> To include Holborn Square; Sidney Road (part); Holt Road (part), and Queen Street (part). <b>Reason:</b> To allow for the Tranmere Tunnels to be included in the area as part of a potential tourism/heritage policy. Makes more sense to have the boundary follow Old Chester Road.</p>		
4	Adopt agreed boundary	The agreed boundary will be adopted subject to a statutory 6-week public consultation, organised by the Council.	PB, GV, Council	31 Mar 2015
5	Appoint consultant for Forum and boundary designation applications	<b>PB</b> explained that he had approached a number of consultancy firms with experience of neighbourhood planning. Only one company – BPUD from Macclesfield – had responded. <b>PB</b> sought authorisation to meet with a representative of BPUD. Members unanimously authorised <b>PB</b> to do this.	PB	11 Dec 2014

6	Appoint consultant for marketing/branding exercise	<b>PB</b> explained that he had approached a number of consultancy firms but that, again, only one – Brand from Neston – had responded. <b>PB</b> sought authorisation to meet with a representative of Brand, Lucy Mason. Members unanimously authorised <b>PB</b> to do this.	PB	16 Dec 2014
7	Planned actions	<b>Set up a bank account with a minimum of 2 signatories.</b> This will be difficult without a Treasurer. It was suggested that VCAW be approached and asked to hold the money we have been awarded (£5,250) on our behalf until a Treasurer is found.	PB	31 Dec 2014
